

REMARKS

This Response to the Notice To File Missing Parts includes a copy of a signed Declaration and Power of Attorney. The total additional fees required for the application of \$912.00 for a small entity is enclosed with the accompanying check.

The Notice also requires replacement drawings in compliance with 37 C.F.R. § 1.84. The Notice indicates that the drawings submitted are not electronically reproducible with reference to FIGS. 1A, 2 and 3.

After a review of the drawings, applicant respectfully submits that the copies of the drawings submitted with the application are in fact of sufficient contrast to be electronically reproducible, but were truncated when reproduced. If there is any question with respect to entry of the replacement drawings, kindly contact the undersigned attorney.

The Examiner is respectfully requested to examine the application at an early date with a view towards issuing a favorable action thereon. If upon review of the application, the Examiner is unable to issue an immediate Notice of Allowance, the Examiner is respectfully requested to telephone the undersigned attorney with a view towards resolving the outstanding issues.

Early and favorable action is earnestly solicited.

Respectfully submitted,
